

Welcome aboard all **SuperGold Card holders.**

GO WELLINGTON - part of the Metlink network

Great news.

Simply present your SuperGold Card when you board the bus and your off-peak travel is *FREE**.

This means that you can travel *FREE** on weekdays between 9am and 3pm, and after 6.30pm, as well as anytime on weekends and public holidays.

What does this mean for SuperGold Card holders?

Off-peak travel is **FREE***.

If you travel in peak times (before 9.00am or between 3.00pm and 6.30pm on weekdays) you will need to pay the fare applicable at your time of travel. This will be either a full adult fare or a senior citizen single trip fare if you also hold a valid GO Wellington Pensioner bus permit.

What about senior citizens who don't have a SuperGold Card?

Senior Citizen All Day passes will no longer be sold from 1 October.

Senior citizens who hold a valid GO Wellington Pensioner bus permit can continue to purchase senior concessionary fares from the driver or ten trip tickets from ticket agents.

For Senior Citizens who don't have a SuperGold Card, our daily passes may be the best option.

For unlimited travel in Wellington City:

The **Daytripper** pass allows unlimited travel on GO Wellington services (within zones 1-3) for one day, for one person, from 9am to midnight on weekdays, and all day on weekends and public holidays. Daytripper is available from the driver for a cash fare of \$5.

For unlimited travel between Wellington and Hutt Valley:

STARPass allows unlimited travel for one day on GO Wellington services (including after midnight and Stadium shuttles), Valley Flyer and Airport Flyer services. STARPass is available from the driver for a cash fare of \$12.

Ask the driver which pass would be the best one for you. For more information on the SuperGold Card call **0800 25 45 65** or visit **www.supergold.govt.nz**
